(FUTURE I-73) FROM HAW RIVER TO U.S. 220/N.C. 68 INTERSECTION

TIP Project No. R-2413C

Rockingham County

The North Carolina Department of Transportation proposes to improve the intersection of U.S. 220 and N.C. 68 in Rockingham County. This project is part of the larger R-2413 project to improve and widen U.S. 220 (Future I-73) to a multi-lane roadway from Haw River to the U.S. 220/N.C. 68 intersection, which is currently under construction.

The purpose of the project is to provide a multi-lane improvement from the U.S. 220/N.C. 68 intersection in Rockingham County to the existing four-lane section of N.C. 68 north of the Piedmont Triad International Airport, as part of the N.C. 68/U.S. 220 (Future I-73) Interstate Corridor. **The design revisions only affect the U.S. 220/N.C. 68 intersection.** The acquisition of additional right-of-way and relocation of homes and businesses will be required for this project.

NCDOT will hold an informal Public Meeting for this highway project on **Monday, April 29, 2013** from **4-7 p.m.** in the **Cafeteria** at **Huntsville Elementary**, located at **2020 Sardis Church Road** in **Madison**.
